**PUBLIC PARTICIPATION**

**AAP25/11: Public participation**

None

**MATTERS FOR DECISION**

**AAP26/11: Minutes of the Meeting held on 18 July 2011**

The minutes of the meeting held on 18 July 2011 were approved as a correct record and signed by the Chairman.

## **AAP27/11: Provision of play equipment at Rock Road and Broadcroft**

Jean Watson reported on behalf of the Play Equipment Advisory Committee. The Advisory Committee had considered various quotations and catalogues and recommended:

- No expenditure this financial year on play and fitness equipment at Hangstones, owing to the amount of new equipment being financed from elsewhere, but that a rolling programme be considered for future years
- A new Wicksteed rocking horse at Rock Road
- A Record RSS RP271 Dragonfly See-Saw at Broadcroft, subject to a site meeting to agree an exact location, and subject to consultation with local residents.

RESOLVED that these recommendations be approved and adopted.

The Chairman thanked the members of the Play Equipment Advisory Committee for their work.

### **MATTERS FOR INFORMATION**

#### **AAP28/11: Clerk's report**

- (1) The Community Build Project at Hangstones to build a wooden sculpture would take place on 25 and 26 July.
- (2) There would be a further delay in the Community Spaces Development project (formerly Playbuilder) as an arboriculturalist retained by Touchwood Enterprises had identified high risks from the trees at the proposed sight. Members expressed their disappointment at a further delay. The Clerk would use his delegated health & safety authority to carry out the required works.
