Access – explore all options for restricting / altering access points. Gates, closing times etc.	Some have already been done, Full report on the pros and cons of all options. Rights of Way issues. Who would evict people prior to closing time? Who would lock up? Police could facilitate eviction for a period of time until it became known that the premises closes.	Parish Council, Police Lead: Yatton Parish Council	3-6 months	
Visual Audit	Graffiti raised as an issue, areas for improvement, security improvements short of gating it off. If already undertaken then results to be published. Still worth undertaking again with involvement from residents. All suggestions to be considered and reported back on.	Crime reduction, Parish Council, Police, Open Spaces Lead: Yatton Police Team PCSO Lewis	Complete except the graffiti project which should complete in early spring.	Crime reduction survey complete. Visual Street Audit already completed with Streets and Open Spaces. Offensive graffiti is over-painted whilst Police raise funds for graffiti project.
Boundaries / trees / piles of earth provide hiding places and 'escape routes.'	Young Persons hide alcohol or run from Police through hedges which have large gaps in. Dark areas are creating place to congregate. Any alterations also need to satisfy Environmental considerations.	Yatton Parish Council Lead: Yatton Parish Council	31/12/2009	Hawthorn hedging is due to be laid to create a 4ft high, 2 ft wide hedge around most of the perimeter. This will also lower the hedge line allowing further night light in.
