

Yatton Youth Club Newsletter

March
2018

It is with huge thanks to the local Lions group that a new boiler has taken youth club members from this to this

What's been happening?

Junior Management Committee

We have had a busy couple of months since the last newsletter, we have started a junior management committee that feeds in ideas and decisions to the Youth Club management committee.

This is running really well, we are enjoying looking at issues that affect the youth club and the young people in the community along with differences we can make.

Junior Youth Club

In September 2017 we started a Junior Youth Club session for Yr3-6's on a Thursday 6-720pm this session has been so successful that we have seen 50+ new members and the session has extended to 8pm.

The young people have enjoyed lots of craft, cookery and trip activities and are a lovely group who are engaged in the programme planning for next term.

What are we working on?

The Usual

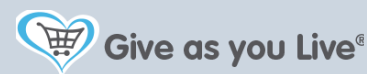

We run 3-4 open youth club sessions per week during term time, 1-2-1 youth work support and mentoring and seasonal detached work, where two youth workers walk the streets of Yatton and Claverham for a few hours on a Wednesday, building relationships with young people they meet, signposting to local groups, clubs and further education.

Fundraising

As a youth club we have achieved over £32,000 in terms of fundraising, currently we are completing several funding applications that we hope to create a disabled toilet and new café style kitchen where young people can help run a weekend café alongside youth workers.

Coming Up.....

- Lasertag 04/18
- Yatton Youth Club Open Day Sunday 13th May 2018
- Summer Trips
- Monthly Supper Club

Did you know you can donate to Yatton Youth Club by doing your internet shopping through Give as you live?
