

Chestnut Park Primary School

January 2020 - Newsletter 03

Dear Resident,

Before the Christmas break – we said that we would be in our new site offices and that the reduce level dig would be complete during the first week back. We're very pleased to say that this has been achieved. We have worked hard to reduce the impact the delivery vehicles have on the housing estate. Please get in touch should you have any issues with this.

Next on the construction programme - we have begun to fill the area under the new building and road with stone, this is to enable a sufficient bearing to take the foundations. We will start to form the foundations over the coming weeks with the steel frame booked for delivery mid-February. For those of you who wish to understand more of the build programme, we have displayed a timeline on our site entrance hoarding which highlights key milestones in the build.

Welcome to the Team – We have a new team member! As you can see below, Paul has recently joined our team and will oversee the day to day running of the site alongside Sam.

Activities & Key Dates

To secure a reception place for your child, the closing date is **Wednesday 15 January 2020**

For reception places, the application process is through the North Somerset website

<https://www.n-somerset.gov.uk/my-services/schools-learning/admissions/reception-junior-and-secondary-transfer/secondary/>

We are considerate constructors

We are registered with the Considerate Constructors Scheme

OUR COMMITMENT IN YOUR COMMUNITY

The world is filled with enough ordinary. It's our responsibility to make it extraordinary. That's why every project we take on at Willmott Dixon has to deliver a positive and memorable impact.

For our communities, it means places not just to live in but to thrive in.

building lives less ordinary

Reception Application Closing Date 15 January 2020

Chestnut Park Primary School

Wheatear Road, North End, Yatton, BS49 4FW
