Betty has volunteered at Court de Wyck Church School since March 2015.

She has attended school at least once each week (more recently twice a week) to hear children read.

She has always acted in a kind, supportive and encouraging manner and the children have responded so well to her.

Very recently, Betty advised us that she was no longer able to come into school, feeling that her health and age was beginning to slow her down.

Betty is a very special lady, not only in terms of the time she has given up to help so many of our children over the years, but because she started her volunteering work whilst in her 80s and I'm sure she won't mind my saying that she has recently turned 87 years of age!

Although Betty won't be continuing her volunteering work at Court de Wyck, the whole school community want to thank Betty and would be delighted if her work was officially recognised by the Parish - it would be a wonderful 'au revoir'!

Subject: Volunteer of the Year Award 2020 and Meeting on 23rd March

Hi Aleana

I am the Chair of Claverham Cricket Club and would like to nominate Jon Godden for Volunteer of the Year. He has volunteered for the cricket club for many years, most recently as Treasurer of the club.

....

The letter mentioned letting you know if they will attend the meeting but it wasn't clear what the date of the meeting they needed to attend was. Please could you advise when the meeting is. Is it the Parish Meeting on 23rd March?

Claverham Cricket Club would also like to attend the meeting on 23rd March. We would like to do a 3 minute verbal presentation and also have a display. Are there display boards available for us to pin up material?

Thanks very much
Sarah
